Disciplines

Discipline formation skydiving FS-4:

the discipline formation skydiving FS-4 will be held in four categories: AAA, AA, A and Rookies. A team consists of 4 members + 1 cameraman. The teams can be mixed. On the team list one alternate member can be written, who can replace any member of the team during the competition. In case, the cameraman is not able to continue in the competition, the team can substitute him with another cameraman, but he will not be judged as a team member.

All teams will jump 10 competition rounds. The minimum number of rounds for finishing the competition and announcement of the winners is 3.

The jumps will be performed from aircraft PAC 750XL from altitude 3200 m AGL, subject to other agreement between competitors and organizer.

The judgement will take place in public with use of delivered video recordings (digital video recording only) according to FAI sport regulations and its respective changes. The judgement will be realized by 3-5 delegated judges. In case of point equality the ranking will be decided

2019 CZECH REPUBLIC OPEN CHAMPIONSHIP

according to highest score in one round, hereinafter according to lowest score in one round. In case of point equality after these judgements a jump(s) off will be done.
